GAME ASSESSMENT & HITTING SESSIONS

Saturdays 14.00 - 15.00. £5.00 per player

We are offering open access tennis hitting sessions to determine what is the ideal level course for you. Just pitch up, have a hit with the coach who will also place you with other players of a similar level so that you can enjoy a game. At the end of the session the coach will advise you which level of course to attend. Please call to sign on.

Additionally a game assessment form is available for you to fill in. This will further help us to discern as accurately as possible the correct Adult Course for you. The more we know about your level of play, the easier it is to place you in the right group. Please pick up a form in the pavilion.

We are proud to announce that we are sponsored by Head Rackets.

Head is the Official Racket and Ball supplier to Bishops Park Tennis Centre. Demo rackets are available to try out during Saturday afternoon's Hitting and Assessment Sessions.

ROCKS LANE AT BISHOPS PARK

Our objective at Bishops Park is to encourage all sectors of the community to feel able to come along and try the game of tennis, maybe for the first time ever.

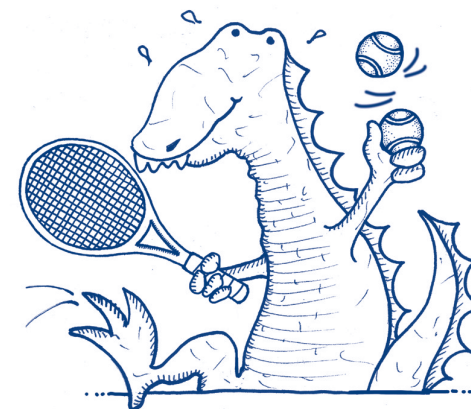

To this end we are planning a series of **free** taster events throughout the year when you and your family can come along, and be assured of a warm welcome, with nothing to prevent you getting involved in an exciting new sport.

We will lend you the equipment, until you feel ready to make that first purchase. And when you do, we will have a range of affordable rackets for you to try out. **Try before buy!**

- Rackets and balls for sale
- Restringing available.
